REQUEST FOR INFORMATION
(SCM RFI NO. CD0924-0269-1)
GREEN LASER BIRD DETERRENT

With the emergence of new technologies and innovations that can further improve quality of service, MERALCO invites interested vendors to provide general information regarding the potential requirement for **Green Laser Bird Deterrent**. MERALCO seeks to scan for available technological solutions in the market that meet the required purpose, and to assess accessibility to vendors in case of a possible procurement.

MERALCO is exploring the market for available **Green Laser Bird Deterrent** or other alternative technological solutions that can prevent bird incursion in our Substations. The objective is to enhance operational reliability, reduce power outages, and avoid equipment failures due to bird nesting in our Substation equipment and facilities.
