The New and Improved Meralco Bill

that will help you manage your consumption better.

We'll increase the size of the bill from 8”x 8” to 8”x 11”, making it more readable. It will also be packed with more information to help you become more energy-efficient.

See the Important Information First

All important payment details are now in bigger, bolder text size and all found in one section in sky-blue.

View Bill Summary

Here's an overview of your energy consumption, which is the basis of your total bill charges.

Track and Manage Your Consumption Better

The graph now covers up to twenty-four (24) months so you can easily compare your present and past consumption to help you budget expenses.

Your typical consumption information includes your average monthly and daily consumption in kWh and how much your daily consumption amount is in pesos.

Help Preserve the Environment

You can find out your consumption's equivalent GHG emissions and explore more earth-friendly ways of doing business.

Pay with Ease

Simply scan your QR code or barcode to input your 10-digit CAN when paying VIA authorized payment channels.
