

FAQS

Q: Paano maa-avail ang services ng electrical experts Certified by Meralco (CBM)?

A: Tumawag lamang sa kahit sinong electrical expert Certified by Meralco to learn more about their services and fees (check the directory sa likod ng flyer). Pwede ring pumunta sa Meralco website (www.meralco.com.ph/CBM) para sa pinaka-updated na listahan ng mga electrical experts.

Q: Magkano ang service fee?

A: Ang service fee ng CBM ay depende sa scope ng trabaho na kailangang gawin. Humingi ng cost estimate at ipa-itemize ang lahat ng kailangang gawin at kung magkano ito aabutin. It's up to you kung okay sa 'yo ang service fee na sinisingil. Huwag kalimutang humingi ng Official Receipt kapag kayo ay nakapagbayad na.

Q: Paano maging CBM?

A: Mag-apply lamang sa pinakamalapit na Meralco Business Center. May mga kailangang requirements bago ma-certify. For more information, go to www.meralco.com.ph/CBM.

Electrical experts Certified by Meralco (CBM) ay gumagawa ng loadside-related electrical works na hindi sakop ng MERALCO. Walang nakukuhanang pera ang Meralco mula sa mga trabahong ginawa para sa customers. Lahat ng transactions with CBMs are completely upon the discretion of the customer.

CBMs are not employees or agents of MERALCO. MERALCO is not accountable for any act or omission of the CBMs and has no involvement in the engagement by its customer of the services of the CBM and does not, in any way, derive profit therefrom.
