

BIDDING
CONTRACT CAPACITY OF 850 MW (NET), COD 2026

BID BULLETIN NO. 4

To all Interested Bidders:

The Third-Party Bids and Awards Committee ("TPBAC") has received a request from an Interested Bidder to extend the Bid Submission Deadline for an additional period of ninety (90) days. In the interest of ensuring transparency and competitiveness in the conduct of the competitive selection process (CSP) while being cognizant of the one hundred eighty (180) day-period mandated by the Department of Energy's Circular No. DC2018-02-0003, as amended by DOE Circular No. DC2021-09-0030, Series of 2021, to complete each CSP, and MERALCO's requirement as indicated in its Power Supply Procurement Plan, the TPBAC hereby **GRANTS a forty-five (45) calendar days extension of the Bid Submission Deadline**. Thus, the already extended deadline (via Bid Bulletin No. 2) set on 14 March 2022 for the Bid Submission Deadline is further moved to **28 April 2022**.

As a necessary consequence of this development, the other milestone dates or deadlines dependent on the Bid Submission Deadline will be affected and extended as well, however, the specific hour/time per each deadline originally provided remains unchanged.

The relevant amendments to the: (i) Invitation to Bid (published on 22 and 28 January 2022); (ii) Bid Requirements (posted on 22 January 2022) and (ii) Instructions to Prospective Bidders (dated 22 January 2022) ("IPB"), set out in **ANNEX A**.

For your guidance and information.

Issued on 28 February 2022.

Third Party Bids and Awards Committee ("TPBAC")
Manila Electric Company
