

Optimize your business for the new normal.

Dear Valued Customer:

We hope this finds you safe and in good spirits.

We would like to inform you that Meralco **will resume the Guaranteed Minimum Billing Demand (GMBD) for bills dated July 1, 2020 onwards** for industries that have been allowed full operational capacity (Category I) as of June 1, 2020 under IATF guidelines (as of June 3, 2020).

We took this opportunity to review and analyze the load profile of your business and have noted that as of February 2020, your business has not optimized the contracted capacity. To assist your business in improving its efficiency during this most difficult time, please email us at biz@meralco.com.ph so we can evaluate and discuss possible options.

For any clarifications or concerns you may have, you may reach us through the channels listed below.

Rest assured that Meralco is committed to collaborating with you to address your needs in a timely manner. Whenever possible, we try to anticipate your future concerns and design a positive customer experience.

Thank you for your attention.

Sincerely yours,
