

**BIDDING**  
**CONTRACT CAPACITY OF 400 MW (NET), EFFECTIVE SEPTEMBER 2025**

**BID BULLETIN NO. 2**  
**(10 July 2024)**

To all Interested Bidders:

Due to the schedule unavailability of some members of the Bids and Awards Committee for Power Supply Agreements ("BAC-PSA"), including its Chairperson and Vice-Chairperson, the BAC- PSA resolved to postpone the holding of the Pre-Bid Conference originally scheduled for tomorrow, 11 July 2024.

With the rescheduling of the Pre-Bid Conference, there is a need to update/amend the other Bidding schedule for this Bidding. As such, the BAC-PSA Secretariat is tasked to look for the next common available schedules of the BAC-PSA, its Technical Working Group, and external counsel. The BAC-PSA will provide an update on the schedule of the Bidding on or before 19 July 2024 through a bid bulletin for this purpose.

For your guidance and information.
