MERALCO AND SAN MIGUEL CORPORATION (SMC) INFRASTRUCTURE FORGE STRATEGIC ALLIANCE FOR INFRASTRUCTURE DEVELOPMENT

Strengthening their shared commitment to nation building, officials from Meralco and SMC Infrastructure collaborated during a recently-held strategic planning meeting. The discussion centered on maximizing the capabilities of both companies for the timely completion of major infrastructure projects, namely the planned MRT-7 and the Bulacan Bulk Water Project, as well as others in their pipeline. In attendance were (In photo, Middle L-R) Meralco VP and Head of Corporate Business Group (CBG) Victor Genuino and SMC Infrastructure CFO and Head of Treasury Raoul Romulo. With them are (In photo, L-R) Meralco Network Planning & Project Management Head Roberto Isip Jr., Meralco Private Sector Relationship Management Head Victor Risma IV, SMC Infrastructure Technical Operations Head Norberto Conti, Meralco Relationship Manager Khristian Valdez, and Meralco CBG-Private Sector Team Leader for Food and Beverage Industry Gabriel Delfin.
