

Understand your electric consumption and manage your energy needs better with

The New and Improved Meralco Bill for Businesses

Coming in September 2021

We'll increase the size of the bill from 8”x 8” to 8”x 11”, making it more readable. It will also be packed with more information to help you become more energy-efficient.

See the Important Information First

All important payment details are now in bigger, bolder text size and all found in one section in sky-blue.

View Bill Summary

Here's an overview of your energy consumption, which is the basis of your total bill charges.

Track Consumption Trends

You can better monitor your operating cycle and plan ahead for expenses with up to 24 months of consumption data.

Manage Consumption Better

You can use this data to analyze your energy usage.

Help Preserve the Environment

You can find out your consumption's equivalent GHG emissions and explore more earth-friendly ways of doing business.
