BID BULLETIN NO. 2

To all Interested Bidders:

Considering that the Financial Evaluation Workbook is not yet released and the fact that the Third Party Bids and Awards Committee ("TPBAC") has received a request from an Interested Bidder to extend the Deadline for Submission of Additional Comments for an additional period of ten (10) working days, and in the interest of ensuring transparency and competitiveness in the conduct of the competitive selection process mandated by the Department of Energy's Circular No. DC2018-02-0003, as amended by DOE Circular No. DC2021-09-0030, Series of 2021, the TPBAC hereby **GRANTS a ten (10) calendar days extension of the Deadline for Submission of Additional Comments.** Thus, the initial deadline set on 11 February 2022 to submit additional comments is moved to **21 February 2022.**

As a necessary consequence of this development, the other subsequent milestone dates or deadlines will be affected and extended as well. **The Bid Submission Deadline, originally set on 7 March 2022, will be moved to 14 March 2022**. The hour/time deadline originally provided remains unchanged.

The relevant amendments to the: (i) Invitation to Bid (published on 22 and 28 January 2022); (ii) Bid Requirements (posted on 23 December 2021) and (ii) Instructions to Prospective Bidders (dated 23 December 2021) ("IPB"), set out in **ANNEX A.**

For your guidance and information.

Issued on 10 February 2022.
